The App!**

With the CareATC Mobile App you can conveniently schedule appointments anytime, anywhere!

Never miss another appointment by instantly adding it to your personal calendar and setting reminders. Get access to important records including past medical history, vitals, clinical encounters, labs, medications and allergies, all while on the go. Great features include access to the Health Education Library providing a range of helpful information to help empower you to live a healthier life.

How to access the CareATC Mobile App:

1. Download the CareATC Mobile App in your Apple or Android app store.

2. Login to the CareATC Mobile App

- **First Time Users:** Select option “I’m New Here” and login with your name, date of birth, and last four digits of your social security number to schedule your first visit. This will allow you to schedule appointments only.
- **Established Patients:** Login with your username and password. If you do not have your username and password, request your patient access code during your first visit to the CareATC Health & Wellness Center. You may also call 800.993.8244 for additional login support.

3. Use the App

From the main menu, you can schedule appointments 24/7, view your medical records, request medication refills, view PHA Live and much more!
