# Vector Abatement and Mitigation Workshop

## Williamson County

### Round Rock, TX

### March 2, 2015

## Workshop Information

This Workshop is designed to train personnel in cities and municipalities that are in the field of mosquito abatement.

The workshop will educate personnel on mosquito identification, biology, ecology, control tactics, trap usage, surveillance, and mosquito control. In addition, there will be an overview of vector-borne diseases affecting Texas and other biting insects.
