

Customer Service Week Creative Connections 1

Creative thinking and problem solving often involves making connections between seemingly unrelated pieces of information. That's just what you must do to solve the Creative Connections puzzles.

In each of the puzzles below, a list of three words is given. To solve the puzzle, you must find a single word that goes with each to form a compound word or phrase.

We've started you off, by solving the first puzzle.

1. volley
field
bearing

BALL

6. oil
rattle
eyes

2. table
dog
spinning

7. neck
snapping
dove

3. hook
