

Customer Service Week Find A Word

People all over the world will be celebrating Customer Service Week during the first full week in October. No matter how they say "service" they'll all be celebrating their commitment to providing extraordinary service to customers and coworkers.

Hidden below are 16 ways to say "service" in different languages. Words can go in any direction (up, down, left, right, and diagonal) and they can share letters as they cross over each other. Can you find them all?
