If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please see page 21 for more details.

Welcome

Each year, you have the opportunity to choose from a variety of retiree benefits that can make a real difference in your life. You can elect a benefit that's exactly right for your personal situation.

This guide provides a summary of the retiree benefits available to you. Please review it carefully and make your elections before the deadline. All elections you make during Open Enrollment will be effective on January 1, 2022. No changes will be allowed at any other time unless you have a Qualified Life Event (such as a birth, death, divorce, marriage, etc.).

If you have any questions about your benefits choices or about how to enroll, please contact Human Resources so you can be sure to have the benefits you need.

BENEFITS STAFF:

Eligibility

You may enroll your eligible dependents for coverage. This includes the following:

- » Your legal spouse or declared common law spouse.
- » Children under the age of 26, regardless of student, dependency or marital status.
- » Children who are past the age of 26 and are fully dependent on you for support due to a mental or physical disability, and who are indicated as such on your federal tax return.

Eligibility in the City of Round Rock Retiree Benefits Coverage will terminate upon your and/or your dependent's eligibility for health coverage with another employer, and/or your and/or your dependent's eligibility for Medicare. It is the responsibility of retirees to inform the City of Round Rock in the event they become eligible for health coverage with another employer. Failure to do so will cause retiree benefits with the City of Round Rock to terminate.

OPEN ENROLLMENT:

Each year, Open Enrollment provides you an opportunity to modify your benefits. All eligible retirees must enroll online in ESS October 1 through October 31. Retirees may complete their online enrollment using the computers in the benefits conference room of the City's Human Resources Department (appointment required). Elections made during open enrollment become effective January 1 of the following year.

QUALIFIED LIFE EVENTS

Once you make your benefit elections, these choices remain in effect until the next annual Open Enrollment. You are able to make a qualified life event change if you or your eligible dependents become eligible for coverage through special enrollment rules.

If you have a qualified life event change or if you have another allowable event, you can make certain changes during the plan year. However, you must make your enrollment change within 30 days of the event by providing documentation to Human Resources. If you do not enroll online within 30 days, you will have to wait until the next Open Enrollment to make new elections.

2. Provide required documentation to Human Resources.

WHOLE HEALTH – NEXUS ACO OA

UHC Whole Health – Nexus ACO OA Plan offers in-network benefits only. When you need care, you decide whether to go to Rock Care or a UHC in-network doctor. With in-network providers, you generally do not have to file claims. If you receive care from out-of-network providers and/or out-of-network facilities, you will be responsible for all costs billed.

HERE'S HOW IT WORKS:

Health Plan Pays 100% for eligible expenses after both deductible and out-of-pocket limit have been met.

Member Pays:	Plan Pays:
10% Co-insurance	90% Co-insurance
In Network Out-of-Pocket Limit \$2,500 Individual (Includes \$500 deductible)	
\$5,000 Family (Includes \$1,500 deductible)	
Member responsible for 100% Deductible up to \$500 Individual / \$1,500 Family	

Our medical plans with UnitedHealthcare provide you and your family the protection you need for everyday health issues or when the unexpected happens.

Each medical plan offers:

- » Comprehensive health care benefits
- » Coverage for eligible children up to age 26
- » In-network preventive care covered at 100%
- » Prescription drug coverage

CHOOSE THE PLAN THAT'S RIGHT FOR YOU

The key difference between the plans is the amount of money you'll pay each year when you need care. The plans have different:

- » **Annual deductible amount** — the amount you pay each year for eligible in-network and out-of-network charges before the plan begins to pay.
- » **Out-of-pocket maximums** — the most you will pay each year for eligible network services including prescriptions.
- » **Copay and coinsurance** — money you pay toward the cost of covered services.

SAVE WHEN YOU USE IN-NETWORK PROVIDERS

In-network providers offer the highest level of benefits and lower out-of-pocket costs. Network providers charge you reduced fees but providers outside the plan's network set their own rates, which means you may have to pay the difference if a provider's fees are above the Reasonable and Customary (R&C) limits.

OPTUMRX FREQUENTLY ASKED QUESTIONS

IS OPTUMRX HOME DELIVERY PHARMACY IN MY PLAN'S NETWORK?

Yes, it's part of your plan's pharmacy network.

ONCE I'VE ENROLLED IN HOME DELIVERY, HOW LONG WILL IT TAKE TO GET MY MEDICATION(S)?

Medications should arrive 2-5 days after the pharmacy receives completed new and refill orders.

AM I ABLE TO TRACK MY HOME DELIVERY ORDERS?

Yes. You can track your home delivery orders from your online account or with the app.

WHAT IS A LONG-TERM MEDICATION?

Long-term medications are those you take on a regular basis. They may also be called "maintenance medications." These may be taken for high blood pressure, cholesterol and depression.

CAN I USE HOME DELIVERY FOR ANY MEDICATION?

No. Not all prescriptions may be filled through home delivery. For example, OptumRx home delivery cannot fill prescriptions for certain pain medications like opioids. You can find out which of your prescriptions can be filled through home delivery by going online or using the app. Or, you can call customer service using the number on your member ID card.

WHAT IS EPREScribe?

It's a way for your provider to send electronic prescriptions to OptumRx. It is much faster than paper and faxing prescriptions. Be sure to ask your doctor to ePrescribe when possible. Prescriptions for controlled substances, such as opioids, can only be ordered by ePrescribe. Some exceptions apply.

CAN I SET UP MEDICATION REMINDERS?

Yes. Use your online account to set up email, phone or text alerts for when it's time to refill or take your medication.

HOW DOES THE AUTOMATIC REFILL PROGRAM WORK?

Go online or use the app to enroll eligible medications. Then, OptumRx home delivery will send your refills when it's time. They will notify you before they ship and they'll use your approved payment method on file. It's that easy.

Medical Extras

AIRROSTI

Airrosti is a health care group that treats the root cause of soft tissue injuries (including strains, sprains, muscle pulls and chronic knee, hip, back or neck pain.) The time Airrosti providers spend with each patient — a full hour of one-on-one care — leads to a more accurate diagnosis and better outcome. Plus, the highly individualized evaluation and treatment often eliminates unnecessary imaging, injections, pharmaceuticals and other costly procedures.

HERE'S HOW IT WORKS:

Each patient receives one full hour of assessment, diagnosis, treatment, and education designed to eliminate the pain associated with many common conditions, allowing you to quickly and safely return to activity — usually within 3 visits (based on patient-reported outcomes).

Retirees and their dependents enrolled with the City's medical plans may receive treatment at Airrosti for a \$0 copay (not to exceed 20 visits per member per year).

Important Notices

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

PART A: GENERAL INFORMATION

Since key parts of the health care law took effect in 2014, there is another way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Typically, you can enroll in a Marketplace health plan during the Marketplace’s annual Open Enrollment period or if you experience a qualifying life event.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.86% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution — as well as your employee contribution to employer-offered coverage — is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered by your employer, please check your summary plan description or contact Tyler Jarl at tjarl@roundrocktexas.gov.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Company Name	City of Round Rock
Employer Identification Number (EIN)	74-6017485
Employer address	231 E Main Street, Ste 100 Round Rock, TX 78664
Employer phone number	512-218-5490
Who can we contact about employee health coverage at this job?	Tyler Jarl
Phone number (if different from above)	512-341-3143
Email address	tjarl@roundrocktexas.gov

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to: All employees. Eligible employees are full time employees working at least 30 hours per week.
- With respect to dependents: We do offer coverage. Eligible dependents are: Your legal spouse, a child under the limiting age shown in your schedule of coverage, a child of your child who is your dependent for federal income tax purposes at the time application for coverage of the child is made, and any other child included as an eligible dependent under the plan.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process.

MEDICARE PRESCRIPTION DRUG NOTICE

IMPORTANT NOTICE FROM THE CITY OF ROUND ROCK ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Round Rock and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Round Rock has determined that the prescription drug coverage offered by the City of Round Rock plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current City of Round Rock coverage will be affected. If you do decide to join a Medicare drug plan and drop your current City of Round Rock coverage, be aware that you and your dependents may not be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with the City of Round Rock and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Round Rock changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare Prescription drug coverage:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of "Medicare & You" handbook for their telephone number) for personalized help
- Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.
- If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at **1-800-772-1213 (TTY 1-800-325-0778)**.

Remember: Keep this creditable coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

COBRA RIGHTS NOTICE

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

WHAT IS COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the City of Round Rock, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

WHEN IS COBRA COVERAGE AVAILABLE?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to Human Resources.

HOW IS COBRA CONTINUATION COVERAGE PROVIDED?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

THERE ARE ALSO WAYS IN WHICH THIS 18-MONTH PERIOD OF COBRA CONTINUATION COVERAGE CAN BE EXTENDED:

Disability Extension of 18-Month Period of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

ARE THERE OTHER COVERAGE OPTIONS BESIDES COBRA CONTINUATION COVERAGE?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

IF YOU HAVE QUESTIONS

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

OTHER NOTICES

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you decline enrollment in medical coverage for yourself or your dependents (including your spouse) because of other health insurance coverage, you may be able to enroll yourself or your dependents in the City of Round Rock's medical coverage if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no more than 31 days after your or your dependent's other coverage ends (or after the employer stops contributing to the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you can enroll yourself and your dependents in the City's medical coverage as long as you request enrollment by contacting the benefits manager no more than 31 days after the marriage, birth, adoption or placement for adoption. For more information, contact the City of Round Rock's Human Resources Department.

60-DAY SPECIAL ENROLLMENT PERIOD

In addition to the qualifying events listed in the enrollment guide and this document, you and your dependents will have a special 60-day period to elect or discontinue coverage if:

- You or your dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultations with the attending physician and the patient, for:

- All states of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedema

These benefits will be provided subject to the same deductibles, copays and coinsurance applicable to other medical and surgical benefits provided under your medical plan. For more information on WHCRA benefits, contact Human Resources or your medical plan administrator.

NEWBORN & MOTHERS HEALTH PROTECTION NOTICE

For maternity hospital stays, in accordance with federal law, the Plan does not restrict benefits, for any hospital length of stay in connection with childbirth for the mother or newborn child, to less than 48 hours following a vaginal delivery or less than 96 hours following a Cesarean delivery.

However, federal law generally does not prevent the mother's or newborn's attending care provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). The plan cannot require a provider to prescribe a length of stay any shorter than 48 hours (or 96 hours following a Cesarean delivery).

NOTICE OF PRIVACY PRACTICES

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information which is maintained by and

for the plan for enrollment, payment, claims, and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact Human Resources.

EXPANDED COVERAGE FOR WOMEN'S PREVENTIVE CARE

- STI counseling, and HIV screening and counseling
- Contraception and contraceptive counseling
- Breastfeeding support, supplies, and counseling
- Domestic violence screening

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from OKCIC, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the following page, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, dial **1-877-KIDS NOW**, or visit www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in a state listed below, you may be eligible for assistance paying your employer health plan premiums. The list of states is current as of July 31, 2021. Contact your State for further information on eligibility.

To see if any other states have added a premium assistance program since July 31, 2021, or for more information on special enrollment rights, contact either:
